

## Commonwealth eBook Collections

The CLAMS libraries have joined other libraries across the Commonwealth to provide their patrons with access to a new collection of eBooks that include many academic titles and self-published materials as well as popular fiction and nonfiction titles.

There are three collections:

 Biblioboard offers primary sources, historical documents, images, video and more

 At EBL you can discover items to help with academic research as well as personal interests, such as cooking

 Axis 360 from Baker & Taylor offers bestsellers in fiction and nonfiction
