

## Vacation Activities Continued...

**Drop-in Family Lego** On Friday, February 22nd from 2:00 to 3:30 children ages 5 and up are invited to stop by the library for some Lego fun. We have plenty of Lego blocks, so join your Lego enthusiast for a morning of free play. Children 8 years old and under must be accompanied by an adult caregiver. This is a drop-in format; no registration is required.

**Drop-in Storytime** Join Tammy on Saturday, February 23rd at 10:30 for a morning of great books, music and crafts. The storytime is intended for children 3 to 5 years old. This is a drop-in format; no registration is required.

**Challenge! Trivia** Are you looking for some fun family entertainment? EPL favorite Brett Outchcunis aka "Ooch" will be joined by his brother Nik for "Challenge! Trivia!" on Saturday, February 23rd at 3:00. Brett and Ooch have created their own high-tech, interactive version of a trivia competition that appeals to a wide range of ages. Teams of up to six people, grades 4 through adult are invited to compete. Compete as a family, compete against your kids, or compete with your friends. It will be a fun afternoon

with prizes, snacks, and laughs provided by the library. Registration is encouraged to reserve your table. Walk-ins will be welcome on a first-come-first-served basis.

## And the Winner Is...

On Monday, January 28th the Youth Media Awards were announced at the American Library Association's Midwinter Meeting in Seattle, Washington. It's the closest thing to the film industry's Oscar night, minus the red carpet and the sequins! The EPL has all of the winning titles available. We encourage you to stop by and check them out!

## Storm Warning!

In the event of poor weather conditions, the EPL may delay opening, close for the day, or close early. A decision to change our business hours is always made in the best interest and safety of our staff and patrons. All weather related schedule changes will be posted on our website, Facebook, Twitter, Instagram and FM radio WQRC 99.9. If we decide to close early, your student should know how to reach you to schedule a prompt pick-up from the library. We will reschedule cancelled programs when possible.
